Volunteer Day Recap – August 29

We had an excellent Volunteer Day on August 29! The sun was shining, the food and drinks were plentiful, and we enjoyed spending quality time with our amazing volunteers and board members. It was a day full of good vibes, hard work, and gratitude for the incredible people who help us make a difference in our community.

Thank you to everyone who came out and contributed to the success of the day!

Summer Highlights at Project Home Again!

This summer has been filled with generosity and heartwarming moments! We are incredibly grateful to **Melissa Marrama and her friends at Keller Williams Realty Success**, who surprised us with a donation of 22 dressers, 22 tables, and chairs for our clients! This contribution helped us furnish the homes of so many families.

A special shout-out goes to our dear friend **Sean McAdam from The Dutiful Daughter**. Without Sean's support, we wouldn't have been able to provide these essential furnishings to more than 50 families this summer. And a heartfelt thank-you to **Nicole Les from Heart Creates Homes**, whose beautiful decorations brought so much color and warmth into our clients' homes, making them feel even more like home.

Thank you, Melissa, Sean, and Nicole, for helping us make such a big impact!

We'd also like to thank our wonderful followers from TikTok!, whose donations continue to inspire us, as well as **Kelly Gordon**, and to all our faithful donors! You make magic happen at PHA, and though there are too many to mention, we are so grateful for every single one of you! We simply wouldn't be able to do what we do without the unwavering support of our donors. Your generosity is the backbone of PHA, and we are deeply grateful.
